## Script: Point of Order

**Member:** *Point of Order!*

**Chair:** The chair recognizes \_\_\_\_\_. State your *Point of Order*.

**Member:** [States *Point of Order*]

**Chair:** [If the chair **agrees** with the *Point of Order*]  
The chair rules that the *Point of Order* is well taken. The reason for the chair's ruling is that . . . [state here your reason for the ruling and the effect of the ruling].

[If the chair **disagrees** with the *Point of Order*]  
The chair rules that the *Point of Order* is not well taken. The reason for the chair's ruling is that . . . [state here your reason for the ruling and the effect of the ruling].

[If you choose, you can end your ruling with a reminder that if the member does not agree with the ruling of the chair, that member is free to make the motion to *Appeal from the Decision of the Chair*.]
